CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The Seller's liability under this warranty is limited in amount to the purchase price of the product. This warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.

APPLICATION RECOMMENDATIONS

For continually optimized growing conditions, apply 250 kg/ha (220 pounds per acre) at 30 day intervals throughout the growing season or as needed. Soil test recommendations should be followed.

250 kg/ha im Abstand von 30 Tagen während der gesamten Vegetationsperiode ausbringen.

Aplicar 250 kg/ha a intervalos de 30 días durante toda la temporada de crecimiento.

Appliquer 250 kg/ha à 30 jours d'intervalle tout au long de la saison de croissance.

Applicare 250 kg/ha a intervalli di 30 giorni durante la stagione di crescita.

Breng 250 kg/ha aan met tussenpozen van 30 dagen gedurende het groeiseizoen.

Aplicar 250 kg/ha em intervalos de 30 dias ao longo da estação de crescimento.

To correct high sodium or magnesium levels or to loosen clay soils, apply 500 kg/ha (435 pounds per acre) once or twice per growing season. A follow-up soil test is recommended and if needed, reapply at optimum growing conditions rate.

To correct high sodium levels on Greens and Tees when using effluent water, apply 400 kg/ha (8 pounds per 1 000 ft²) at 30 day intervals throughout the growing season or as needed.

To be used only where there is a recognised need. Do not exceed the application rate.

RECOMMENDED SPREADER SETTINGS (Bulk Density: 72)	APPLICATION RATE			
	250 kg/ha (220 lbs per acre)		500 kg/ha 435 lbs per acre)
